

What is the Annual Giving Campaign?

The Annual Giving Campaign is an opportunity to invest in a stable financial base for our spiritual community. It is an opportunity to "walk your talk" by making an annual financial commitment to Unity of the Valley.

You continue to decide the amount and the way you want to give your donation. You tell us in advance what that amount will be. That is your pledge!

In this way, Unity of the Valley can realistically plan its annual budget and you will have a way to track your donations and write them off your taxes.

It's easy and it's important!

Make your pledge now.

We are A Thriving
Spiritual Community

Our mission is to celebrate and express the light and love of God In each other and all things. We do this in a variety of ways.

Unity provides guidance for our spiritual growth through services, music, classes, meditation, social events and outreach. We have a comfortable home to meet and share with others.

The transformational power of your gifts to Unity is real. Help us grow our spiritual community into the vision we hold.
